- [GTIN Allocation Rules in Healthcare](#)

## Work Team Leaders

- [Volker Zeinar](#), Membership
- [Tom Werthwine](#), Standards Implementation
- [Peter Tomicki](#), Standards Development
- [Ed Dzwil](#), Business Case
- [Jackie Elkin](#), Regulatory Affairs

## GTIN Next Steps

- **ACTION:** Draft - Frequently Asked Question to improve initial understanding of GTIN Allocation
- **ACTION:** HUG Members to review GTIN Allocation Rules
  - And propose any improvements to David Buckley
- **ACTION:** HUG Members review 'Combination Products' issue (two items from different suppliers / different NDC?)
- **ACTION:** US Based HUG Members consider lobbying for full GTIN
  - As opposed to 'requirement' to bar code NDC.
- **ISSUES:** Legal, Phase in – Phase out, Languages, Generic & Branded, Terminology, Packaging Levels. PLI(s), ..

*NEXT STEP – Form a HUG Work Team on GTIN Allocation Rules to review input for pharmaceuticals and medical devices*
