Construction of Chinese children's relief service system with love and specialty

Liu Dong, Chairman, Beijing Chunmiao Children's Aid Foundation

Beijing 25 October 2016

Institutional profile

Our Work:

Main projects : Little Flower Project, Little Sprout Medical Services Project, and Sunny Rain Services Project.

Our Vision:

Help children to retrieve home, health, happiness and hope.

Our Mission:

Provide children with professional nursing care, foster care, and medical services to ensure them growing up in a positive and loving environment. Our ultimate goal is to guarantee these children be able to live healthy, happy and passionate lives.

Our Values: Professionalism, Respect, Fairness, Joy, and Cooperation

Little Sprout Medical Services Project

Providing comprehensive professional medical services to orphans and impoverished children from 0 to 16 years old with congenital diseases.

Little Flower Project

Providing intensive nursing care for abandoned premature infants and those with other complex medical problems.

Little Tree project

This project creates a healthy, secure and loving environment for orphans and orphans, handicapped children and underprivileged children with congenital disease, with an age range of 3 to 8.
